

FINANCIAL POLICY

Thank you for choosing Pioneer Greens Dentistry for your dental care. Pioneer Greens Dentistry is proud to be a team whose mission is to deliver the finest dental service available today. We are concerned about your dental care and want to ensure that it is performed in the timeliest manner. We are proud of our fees! We make every effort to keep them reasonable while maintaining the high quality of personalized care our patients expect. In order to assist you with the investment in your dental health, we have outlined your payment options.

Non-Insurance Patients

For your convenience we accept cash, personal checks, money orders, and credit card payments **at the time of service**. Payment options are available if specific arrangements are made in advance. These options are perfect solutions for those who want the benefits of dental health and beauty today without the financial strain.

Insured Patients

Pioneer Greens Dentistry accepts most **traditional dental insurance** plans. We do ask that you read your policy thoroughly so that you are fully aware of the benefits provided and the limitations imposed. You should be aware that different insurance companies vary greatly in the types of coverage available. You will be asked to **pay your estimated part** of your balance at the time of service. We will then submit your insurance at **no charge** to you. We can not guarantee what your insurance company will pay. After your insurance pays, any remaining balance will be billed to you.

At Pioneer Greens Dentistry we understand the value of insurance benefits. We are more than happy to assist you in submitting a claim to your insurance company. However, if your insurance does not honor our request for payment within 90 days, you will be responsible for the balance.

Payment Options

Pioneer Greens Dentistry strives to make your dental health affordable and achievable. We want to make sure that you don't let financial concerns turn into even greater dental problems by delaying treatment. We provide options to help you attain your dental goal:

- 5% discount with **full** payment of cash or check the day of service
- 90 day Direct Payment Plan w/ down payment for balances over \$300.00
- 6-12 month interest free plan through Care Credit for balances over \$600.00

Thank you for placing your trust in us to provide your dental care! We look forward to a happy, healthy, and affordable smile for you, your family, and friends.
